Pricing Tiers

MSP has implemented **tiered pricing for 2022.**

MSP uses the 2018 Carnegie Classification of Institutions of Higher Education (<https://carnegieclassifications.iu.edu>) for US institutions, and the 2020 Shanghai Academic Ranking of World Universities (<https://www.shanghairanking.com>) for institutions outside the US. Institutions not listed in either ranking can contact MSP for a price quote. Research institutes usually classify as Tier 1.

Renewal invoices for current subscribers will list the appropriate tier.

Tier	Carnegie Classification (US)	Shanghai Ranking (rest of the world)
1	R1 (doctoral universities of very high research activity)	1–500
2	all others	all others

PACKAGES available from MSP	Tier 1	Tier 2	LMI*
The MSP Package (e-only)	\$2,660	\$2,565	\$1,285
Includes <i>Algebra & Number Theory</i> , <i>Algebraic & Geometric Topology</i> , <i>Analysis & PDE</i> , <i>Annals of K-Theory</i> , <i>Communications in Applied Mathematics and Computational Science</i> , <i>Geometry & Topology</i> , <i>Innovations in Incidence Geometry: Algebraic, Topological and Combinatorial</i> , <i>Involve, a Journal of Mathematics</i> , <i>Moscow Journal of Combinatorics and Number Theory</i> , <i>Pure and Applied Analysis</i> , and the <i>Tunisian Journal of Mathematics</i> . (Does not include <i>PJM</i> , <i>JoMMS</i> or <i>MEMOCS</i> .)			
*Institutions in countries of low- and low-middle income, as classified by the World Bank, are eligible to receive the MSP Package at the discounted LMI rate.			
The EMS+MSP Joint Package (e-only)	\$8,281	\$8,191	—
Includes all journals in the MSP Package, PLUS all subscription journals offered by the EMS Publishing house. For a full list of EMS journals, please visit https://ems.press/info/libraries .			
This package may also be purchased from the EMS.

ALSO AVAILABLE

MSP on Euclid from Duke University Press

The **MSP on Euclid Collection** includes all journals in the MSP Package, but now also hosted by Project Euclid and sold by Duke University Press.

MSP on Euclid subscribers will receive access to the MSP Package through Project Euclid's platform, plus a suite of features including:

- COUNTER- and SUSHI-compliant usage statistics;
- perpetual access to purchased current content;
- integration with Project Euclid's larger mathematics collection; and
- interoperability through the Open Archives Initiative.

For pricing and ordering information for **MSP on Euclid**, including print and other add-on options, please visit dukeupress.edu/libraries.

(Please note that currently, the MSP on Euclid collection cannot be combined with the EMS+MSP Joint Package and is not available in China, Taiwan, Hong Kong, Macau, or India.)

New Journals at MSP

In 2020, MSP launched two new journals: *Algebraic Statistics* (AStat), and *Probability and Mathematical Physics* (PMP).

Both journals will remain freely available through the end of 2022. You can read more about these new journals at msp.org/astat and msp.org/pmp.

HOW TO ORDER

For subscriptions from **China, Taiwan, Hong Kong, Macau, or India**, to all offerings except the MSP on Euclid collection, please visit msp.org/publications/agents for information on our regional distributors.

For subscriptions to the **MSP on Euclid collection** from all parts of the world except those listed above, please contact Duke University Press or visit dukeupress.edu/libraries.

For all other subscriptions in all other parts of the world, please place your order by one of the following methods:

- contact your preferred agent or bookseller;
- print out our order form at msp.org/forms/orders; or
- request a direct invoice from MSP:

Payment Information & Policies

- All prices are in US dollars.
- We accept payment only by check, ACH transfer, and wire transfer. We do not accept credit cards.
- US institutions may send electronic payment to: Wells Fargo Bank (2144 Shattuck Avenue, Berkeley CA, USA); ABA: 121000248; Account number: 3013854777. Please email contact@msp.org before initiating payment.
- Customers who paid by wire transfer in 2021 will automatically receive a wire-transfer invoice for 2022. We may charge an additional fee for processing. To set up a new wire transfer, email contact@msp.org.
- Orders for the *Pacific Journal of Mathematics* may apply a 10% agency discount. No other agency discount is available for any of our other journals.
